Build An App With Skuid For Salesforce

Gary McGeorge
Jeremy Yearron
Desynit

Speakers

A tried & tested registered Salesforce partner with an independent outlook. Desynit are Skuid's premier partner in the UK.

Gary McGeorge

Desynit Co-Director & Salesforce Consultant

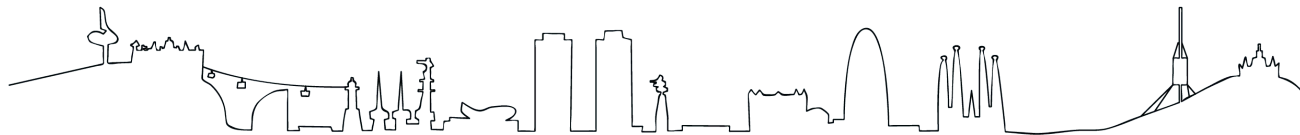

Gary works with Desynit clients to implement brand new systems & integrate Salesforce with existing systems. He is a big fan of the Skuid toolset

Jeremy Yearron

Desynit Co-Director & Applications Developer

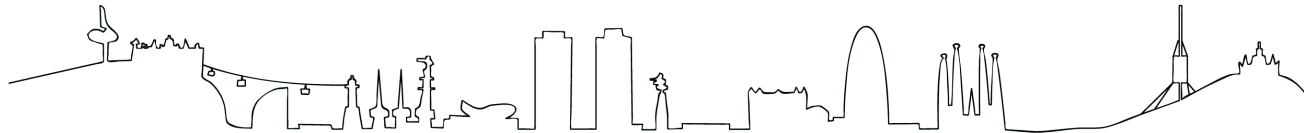

Developing business systems since the dawn of the desktop PC, Jeremy has now added Skuid to his impressive technical skill set.

Agenda

What is Skuid

Demo

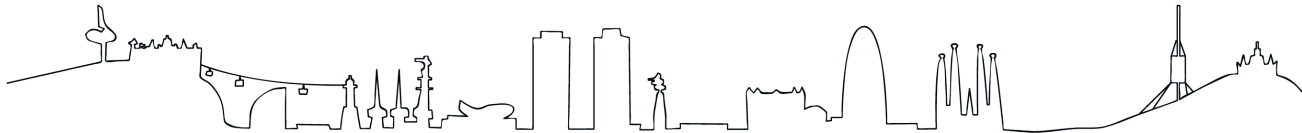

What is it?

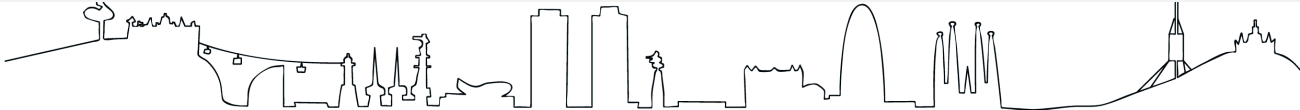

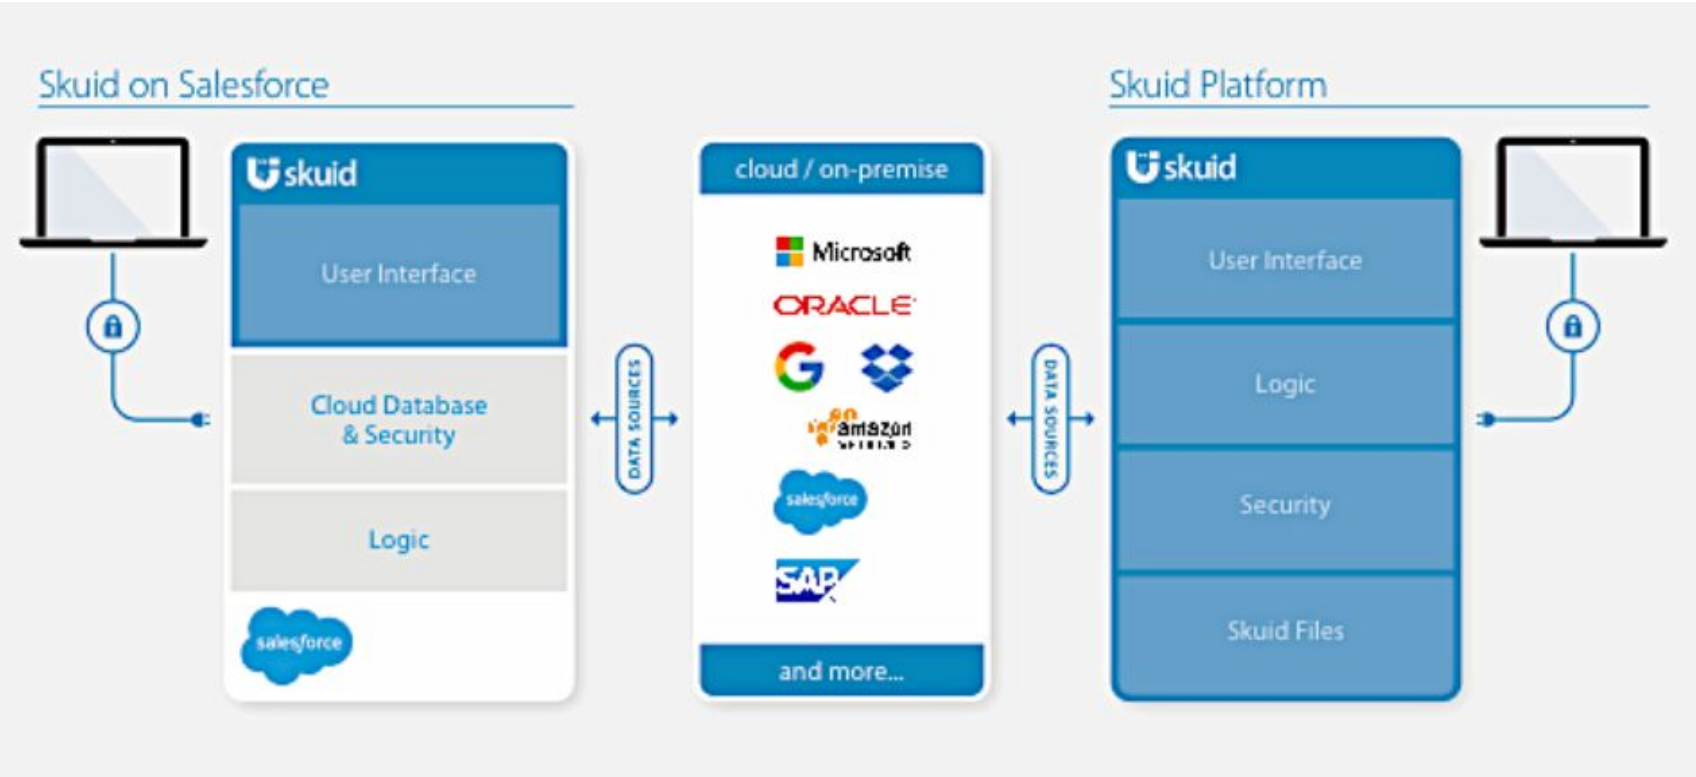

Scalable
Kit for
User
Interface
Design

Skuid provides a cloud user experience platform for people to create bespoke apps without writing code.
